

Red Geranium RESTAURANT

WINE LIST

When George Rapp, a vine dresser trained in Germany, and his followers migrated to New Harmony and settled here, they set themselves to growing a large variety of grapes and making wine for economic gain. Today, the tradition continues as the owners of the Red Geranium and New Harmony Inn still grow grapes at the local vineyard, Fragrant Farms.

Many of the international wines available on our list are produced by independent, family owned and operated vineyards. Some are highly acclaimed, award-winning wines produced in small quantities, including several Reserve Vintages, and are available for a limited time only.

Our list will change subject to the availability of wines.

NEW HARMONY WINE SOCIETY

The New Harmony Wine Society (NHWS) was established in 2004. Through the year, our members participate in tastings and wine-paired dinners with special presentations of noted vintages from various American and International wine producing regions. These fun events provide an opportunity to meet other wine enthusiasts, to share knowledge about wine and to explore new wines and food in the congenial atmosphere of New Harmony. Memberships are available at no charge and applications can be obtained from the Hostess.

Please visit our website at www.newharmonyinn.com to sign up and for information about special events taking place at the Inn and in New Harmony.

Thank you for coming to our restaurant. It is our pleasure to serve you.
